ABOUT US

SEMKA FOREIGN TRADE INC.

Semka Trade has been serving its customers since 1995.

Semka Trade's earlier export experience is filled with retail and dry food products to its Close Region, Near East and Africa with efficiency and quality of Turkish management output and Turkish origin brand marks targeting to support Turkey's total Export figures. Semka Trade now targets new markets including Europe and the Americas.

Through continuous creative and innovative works, consultation of experts, strategic collaborations and completed many different projects over last decade, allowed Semka Trade to a growth of wide range of products to be exported not only to Close Region of our market but to Middle Eastern countries of Saudi Arabia, UAE and Qatar and also to extend to Africa; Nigeria, Angola, Ivory Coast, Kameron, Kenya, Djibouti & Libya and then to Southern Europe; Macedonia, Albania, Croatia with Quick consumption (FMCG -fast moving consuming goods) products, Dry Food/Pulses, Canned Food and Beverages.

We are in service to satisfy our clients' needs fully with logistic requirements and after sales follow-up or operating services with warranties. To accommodate its rapid growth, Semka Trade, relies on its manufacturing partners and agencies both locally and internationally with trustworthy companies.

We have extended our presence with branch offices in Middle East and Africa as our thriving Import & Export business is opening to new and different markets. We are aiming to be a FMCG sector bridge to Middle Eastern, African, American and European markets with known Turkish Suppliers and Brands. By supplying dry food needs of major African countries until today, we had the motivation to extend our range of products also by supplying foods and non-foods with known brands. We are the candidates to be team mates of our clients to understand their needs and help them to achieve their missions with our service, quality and support in every possible way we can.

We have our thanks to our existing customers for priceless support and feedback. Your demands for highest standards are what lead us to our standing today. We promise to continue our dedications for the highest and most innovative standards for your needs.
